TOP LEVEL PLANNING . . . Red Cross Fund Campaign Chairmen Albert Isen, left, and Mervin M. Schwab, chairman of the Commerce and Industry division of the drive, check over list of workers for Schwab's division. They announced this week that recruiting of helpers for the job had been virtually completed.

Another Group Ready for Red Cross Fund Campaign

Latest group in Torrance's Red Cross campaign organization to report leadership lineup is the Commerce and Industry division, according to Albert Isen, area chairman. Slated to assist Mervin M. Schwab as commerce and industry chairmen are the following, who will act as "majors":

during the 1955 campaign J. H. Ayres, General Petroleum Corp.; James Bradley, Doak Aircraft; Joseph Burley, National Supply Co.; John (Jack) Day, American Radiator and Standard Sanitary Corp.; John Henninger, Dow Chemical Co.; Milton Hunter, 18715 14th; Richard Pyle, Pacific Telephone and Telegraph Co.; and George Powell, City Hall.

Coordinating Council to Meet Tonight

Members of the Torrance Coordinating Council will meet tonight in Room 10 at the Greenwood Elementary School at 7:30 according to Mrs. Patricia Elliott, president of the group.

Representatives of all local organizations were requested by Mrs. Elliott to attend the meeting.

Scheduled on tonight's agenda is a report from the group's nominating committee and a report by Warren Hamilton on the Harbor Area Mental Hygiene Committee. A safety skit also will be presented by students of the Perry Elementary school.

School Plans Garden Class

Information on how to prune and handle seedlings, and how to plan the whole year's gardening will be the aim of the free landscape and gardening adult education class held at the Riviera School starting with the new semester on Feb. 8.

Instructor Kjeld H. Grimsgaard, who has been associated with Paul J. Howard Flowerland, Armstrong Nurseries and has studied agriculture in Norway and Germany, will demonstrate new plant material, how to handle seed, cuttings, transplants; how to prune and spray; seed and lawn care and monthly care of gardens; how to plant and improve soil.

4 Babes Born In San Pedro

Three baby boys and one girl were born to parents from this area at San Pedro Community Hospital last week, according to officials.

The new male additions were born to Mr. and Mrs. Joseph A. Wilvers, of 5416 Calle Mayor; Mr. and Mrs. Robert Ward, of 2428 Los Codona St.; and Mr. and Mrs. Robert Summerford, of 1661 W. 255th St. Mr. and Mrs. Norman G. Bluff, of 24829 Oak St., Lomita, had a new daughter.

Loses Films From Movies

Monte Backstrom, 20, of 611 Cota Ave., received a new motion picture camera for Christmas, and promptly filmed the family's holiday, and then took in the Rose Parade, New Year's Day.

Then last week, when he went to get the films from the glove compartment of his auto, he found all three rolls had been stolen. His family as yet hadn't seen the pictures.

Backstrom also had a pair of fuzzy dice — auto decorations — stolen from his car at the same time.

Buy it today!
Enjoy it tonight!
